To bring to her husband these blessings should be the chief ambition of every wife. Her greatest help will be found in

G.F.P. (Which Means GERSTLE'S FEMALE PANACEA.)

It invigorates all the delicate reproductive organs; it drives out every trace of disease. Taken for a period before childbirth it will insure an easy time and a healthy baby.

A FINE FIFTEEN-POUND BOY.

Your G. F. P. is the greatest medicine I have ever taken and I want to recommend it in the highest terms. Let me tell you what it has done for me. I was greatly debilitated and run-down, suffering from the weaknesses peculiar to my sex. Some time ago I began taking G. F. P. and as a consequence am greatly improved. The female organs were restored to health and vigor, and two months ago I became the proud mother of a fine boy weighing fifteen pounds, since which time I have recovered my health and strength and can do all of my work.
